STUDY, WORK AND PLAY AT TAFE ILLAWARRA

The Illawarra region is one of the fastest growing regional areas in Australia. Its Aboriginal meaning ‘pleasant place between the mountain and the sea’ reflects the area’s abundance of natural wonders and the relaxed beach-style culture it offers, with an array of outdoor activities. Students from across the world are attracted to the Illawarra due to its affordable cost of living compared to its bigger metropolitan counterparts.

Wollongong is Australia’s 9th largest city and is an increasingly popular location due to its close proximity to Sydney. An active student city, it has a vibrant multicultural community making it a desirable home-away-from home. Wollongong’s educational precinct consists of TAFE Illawarra, the University of Wollongong and the Innovation Campus.
