

## Connecting to the TAFENSW Wi-Fi Network

*You must have your TAFE Portal username and password*

### Windows 7 Devices

1. Click on the **Wireless icon** in the bottom right hand corner of the screen
2. Select **TAFENSW** from the list of available wireless networks
3. Click the **Connect** button
4. *Network Authentication box*: Enter your **TAFE Portal username** and **password** and click **OK**
5. A *Windows Security Alert* prompt appears: Click **Connect**

You should now be connected to the TAFENSW wireless network.

### Windows 10 Devices

1. Click on the **Network connection icon** in the bottom right hand corner of screen
2. Select **TAFENSW** from the list of available wireless networks
3. Click the **Connect** button
4. Enter your **TAFE Portal username** and **password** and click **OK**
5. A *Windows Security Alert* prompt appears: Click **Connect**

You should now be connected to the TAFENSW wireless network.

If you cannot connect, please ask your local TAFE NSW Library Staff.
