Library and Information Services

How to access PlantFile Online

Go to the library website: http://www.illawarra.tafensw.edu.au/library

Under the eResources – other Databases section, select PlantFile Online.

The TAFE NSW Library Network Catalogue eResources logon page will appear.

Enter your DEC Username and password and click Submit.

Correct Username format: john.smith or susan.nguyen2

An eResources Logon Successful page will appear. Select Click here to continue

Tip: On campus users may have to re-enter your DEC username and password again.

Click on the button at the bottom right of the screen to access the database:

You are now logged in to PlantFile Online.

Need help with searching? Use this guide: http://www.plantfileonline.net/search_help.html
