**What’s the worst thing about ancient history class?**
The teachers tend to Babylon…
Morning tea in the Library celebrating the Biggest Morning Tea and Library & Information Week on 25th May, 2016 gave staff and students the perfect excuse to come and visit the Learning Access Resource Centre (LARC) in its new location in A Block. Thank you to all those who attended. We raised $116.00 for the Cancer Council. Thitima Regan won our Lucky Door prize.

Staff and students were impressed by the new LARC which allows the computer facilities to be available to students five days a week.

Access to the Library is still only available on Tuesday & Wednesday 9am-4pm. Although we have lost our wonderful views of the gardens, it is still a cozy warm space to study and research. The LARC also has a Charge Bar available should any of your devices require a quick top up. New resources continue to arrive, so please come in and look at what we can offer to help you to complete your studies successfully with TAFE Illawarra.

The Hon John Barilaro MP, the Minister for Skills, opened the new Queanbeyan Learning Access Resource Centre (LARC) on Friday 17 June 2016. Narelle Meddemmen was on hand to take some photos of the official opening.
