Queanbeyan’s NEW Connected Learning Centre

Queanbeyan TAFE Library has had a major refit over the vacation with the introduction of the new Connected Learning Centre. The Library is now located within A BLOCK as part of a new learning space with student computers, study areas and kitchen facilities that are available to students five days a week. Printed resources, photocopying and assistance from library staff are available Tuesday and Wednesday 9am to 4pm. A big thank you goes out to Louise Wardle for relieving while Rosalind has been away and cleaning up after the move.

Here are some photos of the old library and the new Learning Centre under construction. Finishing touches such as tables and chairs are still to come, and an official opening.

Rosalind Wythes, the Librarian at Queanbeyan, will be on hand during the usual Library opening hours to conduct orientations, borrowing and assist students with research and assignments.
