**HOW TO SPOT FAKE NEWS**

1. **CONSIDER THE SOURCE**  
Click away from the story to investigate the site, its mission and its contact info.

2. **READ BEYOND**  
Headlines can be outrageous in an effort to get clicks. What’s the whole story?

3. **CHECK THE AUTHOR**  
Do a quick search on the author. Are they credible? Are they real?

4. **SUPPORTING SOURCES?**  
Click on those links. Determine if the info given actually supports the story.

5. **CHECK THE DATE**  
Repeating old news stories doesn’t mean they’re relevant to current events.

6. **IS IT A JOKE?**  
If it is too outlandish, it might be satire. Research the site and author to be sure.

7. **CHECK YOUR BIASES**  
Consider if your own beliefs could affect your judgement.

8. **ASK THE EXPERTS**  
Ask a librarian, or consult a fact-checking site.

**Good Luck for 2019**
Welcome to the final Term for 2018. We are fast approaching the end of the year and possibly for most the end of your course. Our thoughts are with any students facing final year exams. New books are always on display and we have some great resources for all students, along with a range of DVDs and Recreational reading resources. It is never too late to come into our library seeking help – we love promoting our resources.

The Campus came together on 19th September with a Sausage Sizzle to raise money for TAFE NSW Drought Relief. Our efforts raised $200 and the winner of our Lucky Door prize was Ray Cosgrove.

Thank you to all those who helped out on the day.
