**Web Links for this page**

Tertiary Preparation Certificate (TPC) online guide

Click on the TPC online subject guide link to access and read Macworld magazine online (follow the instructions next to Macworld magazine profile on the right hand side).

**Macworld**

Click on the Macworld link above to access the Macworld website

**eResources A-Z**: all eResources in alphabetical order

**Browse by Subject**: click on a subject – Animal Care, Child & Family Studies, Conservation & Land Management, Hair & Beauty, Electrotechnology, Tertiary Preparation Certificate, Tourism & Travel and many more to find relevant eResources

**General Databases**: access many thousands of journal and newspaper articles, books, videos and images

**Subject Specific Databases**: find databases suitable for your study - Australian Standards Online, Chemwatch, Oxford Art Online, Plant File Online, TVNews Database and a few more

**Australian Standards Online (ASO)**: provides access to ASO, search tips and a User guide, as well as access and licence information about the database

**eBooks**: search eBooks on EBSCOhost and Issues in Society eBook Collection to access more than 4000 online books from the library or your home computer

**eVideos**: online access to high quality educational videos on a wide range of subjects, includes links and user guides for Montie Safetycare Videos, Real Time Health Videos, TV News Database (video clips) and vLearn Online Videos

**Newspapers & TV News**: provides access to online newspapers (including Illawarra Mercury, Sydney Morning Herald, ProQuest Newspapers – international coverage), news websites (ABC News, The Australian, Daily Telegraph, SBS Worldwide News and more) and TV News Database that lets you search and view programs including 60 Minutes, 7.30 Report, A Current Affair, Behind the News, Dateline, Four Corners, Q & A and more.

You will need your DEC Username and Password to access eResources.

**Online journals and print magazines:**

**Macworld** is a magazine for Apple, Mac, iPhone, iPod and iPad users. The magazine includes product reviews, consumer advice, in depth features, how-to articles, tips and trouble-shooting advice, and news and opinion about the industry and Apple computers.

Access & read online through the TAFE Illawarra Libraries website. Click on the Subject Guides link and choose the Tertiary Preparation Certificate guide, then go to the Computing page tab. Click on Macworld in the Online Journals column.

Click on the Macworld link under Web links for this page in the left hand column of this newsletter to access the Macworld website.

On Display:

The theme for International Women’s Day 2014: “Equality for women is progress for all”

70% of the world’s poor are women. International Women’s Day 2014 aims to help to overcome this by empowering women and girls.

On display are some of our many resources telling women’s stories.
